
JOHN-RICHARD
SHOP COUTURE: HIGHER GROUND

EUR-04-0911 Matteo Four-Door Credenza

Organic silhouettes and natural motifs are recontextualized into a crisp, contemporary statement. A gorgeous white peacock with cascading plumage overlooks an elegant sylvan landscape punctuated by distinguished wood tones and radiant golden accents. Sprawling branches embellished with hand-made glass flower petals are flanked by towering crystalline pillars that playfully shimmer in the light.

GBG-3166 Debra Ferrari's The White Peacock
